Stall Board: \$525.00 per month (12' x 12') or \$550.00 per month (12 x 14')

Stall Board is just what it sounds like and ensures your horse will have a stall to call home each night. Laurel Manor will feed and turn out your horse as agreed and provide any special supplements that may be part of their diet.

Stall Board includes the following services:

- 12' x 12' or 12' x 14' stall inside the barn
- Shavings (12 bags per month maximum; owner may provide additional shavings)

Private Shed Board: \$500.00 per month

Because we believe no horse should be left outside overnight without cover, we offer a private shed board. Similar to our stall board, your horse is housed in a pen with their own open entry and covered shed for them to sleep, eat, or simply hang out. Although our shed boarders are not inside the main barn, they are given the same care and attention as all our other residents!

A more economical option for our guests is a private run that sits adjacent to our barn with cover. Your horse is housed in a private run with an overhang that provides shade and shield from weather. As with all our horse tenants, they are cared for and treated no differently.

Private Run Board includes the following services:

- 12' x 12' covered shed
- Daily shed cleaning

Stall Boarding Frequently Asked Questions

Below are some of the more common questions surrounding our boarding program. In the event you have more questions, please feel free to contact us!

Q. What kind of grain do you feed the horses?

A. We offer two Purina branded grains: Equine Senior and Professional Impact. However, owners may, at their expense, provide preferred grain and we will be happy to feed as requested.

Q. When do you feed and how much do you give the horse?

A. Each horse is provided enough food to maintain a healthy weight. Our basic boarding rates provide a maximum number of 10 quarts of performance feed and 6 flakes each day.

Q. What if my horse needs more food?

A. In this event, we require a minimum additional fee of \$50.00 which will be added to your selected boarding rate package.

Q. Will you feed my horse supplements?

A. Only if provided by the owner. Smartpak services are preferred but not required.

Q. Can I supply my own grain?

A. Yes. Owners will need to coordinate grain container and bag placement with the facility as space is limited inside the feed-room.

Q. How long do stalled horses get turned out?

A. Normally horses will enjoy between 6 to 8 hours grazing our fields. In the event injury or weather prevent turnout, owners will receive notification through text, email, or phone call.

Q. What if my horse doesn't get along well with others?

A. The safety of all our horses is a constant priority at Laurel Manor. If horses do not get along, we will work to provide a group that fits better.

Q. How often are stalls cleaned?

A. The stalls are cleaned once a day. If horses are left in during inclement weather, the stalls will be cleaned both in the morning and before dinner.

Q. Are water troughs and buckets regularly cleaned out?

A. Yes. Water is essential for horses and it is a top priority to provide fresh clean drinking water. Troughs and buckets are checked daily and cleaned as needed. If you see a trough you believe is running low, please let Laurel Manor staff know prior to filling (it may be low for cleaning).

Q. Do you blanket my horse?

A. Yes, as required. During colder weather, we provide *initial* blanketing at no additional charge. However, if Laurel Manor is required to change blankets on a routine basis, a fee of \$30.00 will be added to the monthly board rate. We encourage owners to routinely visit their horse and communicate with Laurel Manor their preferred method of care during the colder months. In the event our staff observes a cold horse, we will provide a facility owned blanket until the owner can provide one. In addition, Laurel Manor will clean sheets and liners for \$15.00 per blanket. As storage is limited, we ask owners take sheets and blankets home or store in their tack box after the cold season.

Q. Are there specific hours for visiting my horse?

A. The normal business hours are Monday through Saturday 7:00 am to 8:00 pm and Sunday between 8:00 am and 5:00 pm. However, there are times we are open as early as 6:00 am and as late as 10:00 pm (depending on shows or other events). Any owner wishing to ride after normal hours must communicate with Laurel Manor each time. Please keep in mind our property also serves as a home for the facility owner

and for the safety of your horse and equipment, we prefer limited after-hour visits. Thank you in advance for your understanding.

Q. What if my horse is sick or injured?

A. Owners will be notified via text or call as early as practical. If we cannot contact the owner, we will contact a vet for assistance. We will treat minor injuries as needed (cuts, scrapes or swelling) at no additional charge. Any further treatment will be charged as required. Owners will also be provided with a photo of the injury. If a vet is required to visit the horse at the facility, the owner will be provided with an invoice. Additional fees for walking or holding the horse may also apply.

Q. Will my horse be ridden without permission?

A. No. However, if an owner wishes for their horse to participate in the riding program or work with a trainer, please coordinate with Laura.

Q. Will tack be secured?

A. Our tack rooms are secured with a locked key pad. Further security is the responsibility of the boarder. We strongly recommend labels for tack and equipment, as well as keeping a lock on any tack boxes. Security cameras also keep a watchful eye on the barn and property.

Q. Can I let family and friends ride my horse?

A. Yes, but only if they have signed our facility's riding waiver. If a rider violates this requirement, that rider will be asked to dismount immediately. Minors must be accompanied by an adult at all times **without exception.**

Q. Can I lease my horse to a student in your program?

A. Yes. Leases or regular riding by a non-owner requires a provided copy of the lease agreement or written consent. Full leases will require a new boarding agreement to be signed by the leasee.

Q. Is the boarding payment due in advance?

A. Boarding payments are due on the first of each month. Payments not received by the 5th of each month will incur a \$50.00 late fee. Any additional services will be sent through invoice if the owner has not previously fulfilled payment. Board payments not received or communicated by the 15th will result in a two-week eviction notice.

Q. Do you offer a multiple horse discount?

A. No.

Q. How are disagreements between boarders handled?

A. If the boarders are unable to resolve an issue, please make Laura aware and both parties will be contacted individually. If the issue persists, both parties will be asked to meet with Laura together. Repeat offenders will be asked to remove their horse(s) from the property.
